

ERA OF MEGAFIRES

The Wildfire Project is a 60-minute, multi-media traveling presentation hosted by Dr. Paul Hessburg, Research Ecologist with the US Forest Service. The presentation material comes in the form of fast-moving, short topic-based talks interspersed with compelling video vignettes and photography. Think TedX mixed with snappy documentary shorts and amazing photography.

March 15, 2017 at 7pm

(doors open at 6:30)

at The LaSells Stewart Center on the OSU Campus

FREE

Hosted by: OSU College of Forestry, Forestry & Natural Resources Extension Program and The Northwest Fire Science Consortium

A MIXED MEDIA PRESENTATION CREATED BY **NORTH 40 PRODUCTIONS**
Our Mission is to educate audiences across the West so that they may better participate in
the conversation & solutions surrounding the Megafire issue.
